Dear **Mr. Aniket**,

Sub.: Offer for short term summer paid internship at Jivass Technologies

Following our discussion, I am very pleased to make an internship offer to you to work with our organization, Jivass Technologies effective April 26, 2021

As part of your role as intern, you will be working on the Web development using Django and REACT with Jenkins. Your project will involve

- a) Understanding and planning for access control
- b) Creation of role-based dashboards for a selected application and setting up Jenkins
- c) Planning the test cycle

During the course of your internship, as your internship involves working remotely, you will be required to

- a) Plan daily/weekly calls for design and code discussions
- b) Checking your code into GIT regularly

On completion of the internship, you will be required to:

- a) Create a professional, short 2-page manuals for Installation Report, Design Document, User Manual
- b) Place all code and documentation in git and verify that it is complete
- c) Create a presentation of your final work and present the same to the team along with a live demo

On the successful completion of your internship project, you will receive a certificate of accomplishment. Your work is part of Project Tharangini (under ICSR project headed by Dr. N.S. Narayanaswamy of IIT Madras, Computer Science Department). The duration of the internship is from April 2021 to June 2021 and may be extendable.

Do let me know in case of any queries or clarifications and I will be happy to answer them. Please confirm your acceptance of the internship offer by sending across a scan copy of this document with all pages signed.

Wishing you a productive and fruitful learning experience at Jivass Technologies.

Yours sincerely,

Schedule D: Confidentiality and Proprietary Information Agreement

As a consultant with Jivass Technologies (the “**Company**”), I, the undersigned agree and covenant as follows:

1. I understand and agree that my role with Jivass Technologies (hereafter referred as the “**Engagement**”) will give me access to proprietary and confidential information belonging to the **Company**, details about its customers, its suppliers and others (the proprietary and confidential information is collectively referred to in this Agreement as “**Confidential Information**”). Confidential Information includes but is not limited to customer lists, marketing plans, proposals, engineering information, contracts, technical and/or financial information, databases, software and know-how. I hereby confirm that all **Confidential Information** remains the confidential and proprietary information of the Company.
2. As referred to herein, the “**Business of the Company**” shall relate to the business of Jivass Technologies as the same is determined by the Board of Directors of the Company from time to time.
3. I understand that I may in the course of the Engagement conceive, develop or contribute to material or information related to the Business of the Company, including, without limitation, software, technical documentation, ideas, inventions (whether or not patentable), hardware, know-how, marketing plans, designs, techniques, documentation and records, regardless of the form or media, if any, on which such is stored (referred to in this Agreement as “**Proprietary Property**”). The Company shall exclusively own all Proprietary Property which I conceive, develop or contribute to in the course of the Engagement and all intellectual and industrial property and other rights of any kind in or relating to the Proprietary Property, including but not limited to all code, copyright, patent, trade secret and trade-mark rights in or relating to the Proprietary Property. For greater certainty, I hereby assign to the Company any and all rights that I may have or obtain in or to the Proprietary Property, Material or information conceived, developed or contributed to by me as a result of my Employment Engagement. I shall keep full and accurate records accessible at all times to the Company relating to all Proprietary Property and shall promptly disclose and deliver to the Company all Proprietary Property.
4. I shall, both during and after the Engagement, keep all Confidential Information and Proprietary Property confidential and shall not use any of it except for the purpose of carrying out authorized activities on behalf of the Company. I shall return or destroy, as directed by the Company, Confidential Information and Proprietary Property to the Company upon request by the Company at any time.
5. I agree not to misuse the Company’s premises or make any unauthorized use whatsoever or misuse any trade secrets, confidential information or proprietary property of the Company or also of any third party, including without limitation any trade-marks or copyrighted materials, during the course of the Engagement.
6. I agree and represent that the Engagement and the execution of this Agreement do not and will not breach any agreement to which I am currently a party or which currently applies to me.
7. At the reasonable request and at the sole expense of the Company, I shall do all reasonable acts necessary and ensure necessary documentation procedures required to ensure the Company’s ownership of the Proprietary Property such as registering patents, copyrights, trade-marks, industrial designs and such other protections as the Company considers advisable anywhere in the world.
8. I understand and acknowledge that substantial cost in terms of efforts and expense has been or will be incurred by the Company for my training in the area of the Engagement and hence will require safeguarding against disclosure of certain Company confidential and proprietary information, specific technology components, trade secrets and customer and supplier relationships.
9. Regardless of any changes in position, fee paid or otherwise, including, without limitation, termination of the Engagement, unless otherwise stipulated pursuant to the terms hereof, I understand that I will continue to be subject to each of the terms and conditions of this Agreement.
10. I acknowledge that the services provided by me to the Company are unique. I further agree that irreparable harm will be suffered by the Company in the event of a breach of obligations under this Agreement, and that the Company will be entitled to seek rights and remedies including legal recourse in the event of any such breach hereof. In the event of termination of the Engagement with the Company, I understand and agree that the term of this Agreement shall survive and continue to be in force and effect for eighteen months following the termination of the Engagement.

IN WITNESS WHEREOF the Company has caused this Agreement to be executed as of the __day of __, 20
